

— COVID INFO —

Due to the current number of COVID cases in our community and the anticipated rise following the Christmas holidays we will be adjusting our policies for the beginning of the 2021 Semester. We would rather operate out of an abundance of caution as we care for our students, their families, and the Fuzion team. These policies will be re-evaluated at the end of January.

In our efforts to provide a safe environment for our staff and students:

// Check-in will be outside at the front door. If you have an older student, you may drive up and drop them off at the front door. If you have a younger student, you may park and walk them to the door, at which point an instructor will take them to their class.

// Lobby will be closed for this semester.

// Class capacities have been lowered to give more adequate space for social distancing.

// Additional cleaning between classes.

// Sanitizing stations available in each studio space.

// Students will not be sharing any props, art supplies, etc...

// If student is experiencing symptoms of any sort, we kindly ask that they stay home.

// Masks:

- Dance Students: Due to the physical exertion of dance, masks are optional during class.
- Theatre, Music, Visual Arts Students: Masks are requested in class during certain activities when social distancing isn't possible. (With the exception of the younger students enrolled in Love the Arts.)
