

Student Dress Code Information

✓ WHY DRESS CODE

It is important that our students wear the proper dress code for their class. It makes a difference in our instructors' ability to see proper form and technique and provide quality instruction. Excellence is one of FSA's core values; having a dress code brings a level of professionalism and excellence to the students' and families' experience.

If a student comes to class without dress code:

- The first time, they will receive verbal reminder.
- The second time, they will receive verbal and written reminder.
- The third time, they may be asked to please sit and observe class and remember dress code attire next time.

Thank you for working with us to make the FSA experience one of excellence!

✓ THEATRE DEPT. DRESS CODE

- It is important that our students be comfortable for their class so that movement is unrestricted. We ask that theatre students wear loose fitting or stretchy pants or jeans and a Fuzion Shirt or solid color T-shirt. No dresses. Please wear tennis shoes to class. Please do not wear sandals, boots, heels. Please no mini-skirts, mini shorts, crop tops, or spaghetti straps.

✓ MUSIC DEPT. DRESS CODE

- All group class music students should wear comfortable clothes that are not restricting to movement. Please no mini-skirts, crop tops, or spaghetti straps.

✓ VISUAL ART DEPT. DRESS CODE

- It is important that our students be comfortable for their class. As any art class has the potential for getting art materials on clothing, always wear pants/shirts where this will not be a problem. Please no mini-skirts, mini shorts, crop tops, or spaghetti straps.
