

## **PRIVATE MUSIC LESSONS**

### **Pricing**

Private Lessons are \$100 a month. Full tuition is due regardless of the number of weeks in the month. Monthly tuition includes each weekly music lesson, dress rehearsal and performance.

### **Practicing**

Our team members will assign music to practice each week to ensure musical growth! Encourage your child to practice! We ask families provide a notebook for weekly assignments to be written in.

### **Cancellations**

If you are unable to attend a private lesson, please give a minimum 24 hours notice to let the school administrator know or the private lesson teacher directly. If an instructor is unable to make a lesson, they will contact you to schedule a make up.

### **Make Up Lessons**

The instructor will contact you to schedule a makeup lesson, however if there is less than 24 hours notice there will still be a charge for the lesson and there will be no makeup lesson. If an instructor cancels a lesson with less than 24 hour notice, you will not be charged for that lesson and will be offered a makeup lesson at no charge. If a makeup lesson is not rescheduled after one month, the instructor will not offer a makeup lesson and no refund will be given. Missed lessons cannot be refunded or credited after one month following the missed lesson.

### **Lesson Structure**

Parents are not allowed to sit in on private lessons. This is to prevent distractions during the lesson and to create a bond between the teacher and student. The teacher will regularly send pictures and update on lessons afterwards!

### **Late Policy/Attendance**

If a student is over 10 minutes late to a lesson, the lesson will not take place that day. If a student is less than 10 minutes late, the student is able to still have their lesson however the teacher does reserve the right to end the lesson at the scheduled time. If attendance does become an issue, our team members do reserve the right to dismiss the lesson. If a student is consistently late and/or cancelling without notice, Fuzion reserves the right to discontinue lessons.

### **Performing**

At Fuzion, we offer two performance opportunities during the school year. We hold an observation night towards the end of the fall semester for parents to see the progress of their students. We hold our annual spring showcase in May, in which students are required to perform unless specified otherwise. We assume all students are performing in our observation night and spring showcase until our School Administrator has been notified. If it is not communicated that a student will not be performing with a minimum of two months notice before the performance date, full tuition that covers the showcase will still be due. Students that do not perform in our showcase will end their semester at the end of April.

### **Instruments and Books**

If you do not already own the instrument you are wanting to take lessons with, our instructors are able to assist in the process of finding a quality instrument. After the first or second lesson, an instructor will recommend a book that will need to be ordered in a timely manner.
