If a student comes to class without dress code:

- The first time, they will receive verbal reminder.
- The second time, they will receive verbal reminder and written note
- The third time, they may be asked to please sit and observe class and remember dress code attire next time.

**Theatre Department Dress Code:**

It is important that our students be comfortable for their class so that movement is unrestricted, while adhering to the proper dress code for their class. We ask that theatre students wear loose fitting or stretchy pants or jeans and a T-shirt.

**Visual Arts Department Dress Code:**

It is important that our students be comfortable for their class while adhering to the proper dress code. As any art class has the potential for getting art materials on clothing, always wear pants/shirts where this will not be a problem. Art aprons are encouraged.

## Music Department Dress Code:

All group class music students should wear comfortable clothes and closed-toed shoes. No open toe sandals and no flip flops.

**Love the Arts Students:** As this is a combo class of movement, art, music, and story telling students should wear comfortable clothing easy to move in. Any art class has the potential for getting art materials on clothing, always wear pants/shirts where this will not be a problem. Art aprons are encouraged.

## Student Attendance:

In accordance with FSA's core value of excellence, please be on time for your class(es).

- Dance Department: If more than 10 minutes late, the instructor may ask you to watch only. Missing the beginning warm up and stretches of dance classes may cause injury if allowed to join the class late.
- Theatre, Visual Arts, and Music Departments: Class instruction will begin immediately and it will be difficult for you to keep up during workshop time if you are more than 10 minutes late. The teacher has the freedom to ask you to watch only and to privately make up both the instructional and studio portions of the class at private lesson rates.
- If student begins to miss class(es) regularly, the instructor may ask you to no longer take his/her class for that semester. This is in respect for the other students, so that they are not waiting for you to "catch up" on things when you are there.
- Please notify FSA (865.309.4372) as soon as possible if you or your child will be absent from class.

**Private Lesson Cancellation Policy:** If you are going to miss a private music lesson and have not contacted your instructor or the school administrator 24 hours before your scheduled class time you will be charged for the lesson.

## Inclement Weather Policy and Class Cancellations:

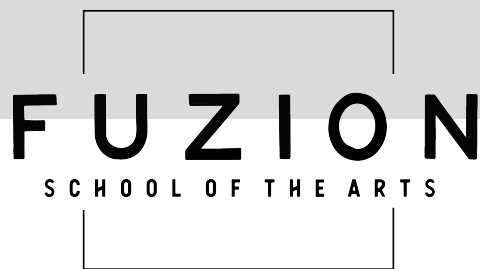

- Weather: If weather conditions are a concern, please check Fuzion School of the Arts social media pages. In addition to posting class cancellations on social media, you will receive a notification via email through the email address provided on your family account.
- If instructor cancels class due to illness or travel, a make up class will be scheduled. Students will be notified by the front office of the cancellation and be given the make up class date.
